

Istituto Tecnico Agrario “B. Ricasoli” Siena – A.S. 2021-2022 – classe 5A  
Progetto Open Coesione di monitoraggio civico della bonifica e messa in sicurezza  
dell'ex miniera delle Cetine di Cotorniano

# **BUILDINGS OF THE EX MINERL AREA OF LE CETINE DI COTORNIANO**

Most of the photos were found on the web, taken by the guests of the  
accommodation facilities, when they were still in business.

Aprile 2022

La Direzione (1886), poi Ecoturismo “Casa Gialla”  
PROPRIETA' REGIONE TOSCANA

Some details of the management garden:  
the bread oven (1902) and the well  
PROPERTY OF THE TUSCANY REGION

Rural building built by remodeling the foundry of 1899 and until a few years ago intended for agritourism hospitality  
(the photos refer to this period)  
PROPERTY OF THE TUSCANY REGION

Agricultural annexes adjacent to the previous one, with the same history  
PROPERTY OF THE TUSCANY REGION

Remains of the Foundry (1899): the chemistry laboratory  
PROPERTY OF THE TUSCANY REGION

Remains of the foundry (1899): the underground  
PROPERTY OF THE TUSCANY REGION

Artifacts around the old foundry:
