

## **Lesson 4 – TELL THE STORY**

IN CLASS: Always have the Lesson 4 page open, where you will find a series of all the steps for doing the lesson in class.

In this final lesson you will learn how best to tell the story of your project by realising a creative product that will form the platform on which to tell about and share your research.

### **Objectives:**

- **Reconstruct the narrative of the research carried out**
- **Choose the format of the creative work to be produced and divide the tasks**
- **Complete the final Lesson report by the final deadline of **XXXXXX****

### **Step 1 (20 minutes) – RECONSTRUCT THE PROJECT’S NARRATIVE**

- Short presentation on the basic situation, the progression of the research, information found during the monitoring visit, the salient points of the entire research programme (by the Project Manager).
- *Questions and short discussion*
- Watch video: Reconstruct the narrative
- Short discussion on the fundamental milestones

### **Step 2 (10 minutes)– STORYTELLING: PRESENTATION FORMATS AND TECHNIQUES**

- Slides version
- Brief discussion

### **Step 3 (10 minutes)– COMMUNICATE AND PROMOTE AN EVENT ON SOCIAL NETWORKS**

- Slides version
- Brief discussion

### **Step 4 (60 minutes) – EXERCISES IN CLASS: CHOOSE THE FORMAT**

- Choose the format of the creative work to be produced and allocate the tasks.
