

<p>Brief description of your civic monitoring research</p> <p>Our research, “Office renovation to realize small accommodation in Padua”, is aimed at renovating an old school, nine mini-lodgings of 40 square meters each, to be allocated to 2 or 3 people at most, to upgrade the housing assistance system. Project financed through regional calls for proposals. The topic of our project is social inclusion because we want to give and offer the possibility to all homeless to have at least a temporary home.</p>	<p>Contextual information</p> <ul style="list-style-type: none"> • Topic: social inclusion • FESR • Public cost: 940.000€ • Project status: on-going • Funds: <ul style="list-style-type: none"> - European Union (400.250€) - Revolving fund (280.175€) - Region (120.075€) - City (139.500€) 	<p>Chosen project and theme</p> <p><i>“Renovation of building for construction of mini-housing in Padua”</i></p> <p><u>Target</u>: <i>Reduction of extreme marginality and inclusion intervention for homeless people.</i></p>	<p>Experts on the theme to be involved from the territory</p> <ol style="list-style-type: none"> 1. Mayor and administrators of the municipality of Padua; 2. Newspaper articles; 3. People in general. 	<p>Communication format and involvement strategy</p> <ol style="list-style-type: none"> 1. Contact the architect of the municipality of Padua who is Giacon Diego. (number: 04982204324, e-mail: giacond@comune.padova.it); 2. Advertise the project on social media and create flyers; 3. Raise public awareness and understand their opinion.
<p>Additional research</p> <ul style="list-style-type: none"> • Journalism of the city; • Websites; • Interview the population with some specific questions over this topic. 	<p>Value for the community</p> <ul style="list-style-type: none"> • promote social equality • allow a more dignified life for less fortunate people • less people without home • in our territory are very present the homeless but there is little help for them
