

<p>Short description of civic monitoring research</p> <p>Our research is based on the securing of the secondary school of Arconate. The welfare of students in the school space must be preserved in order to develop the territory. The data research will have a direct collaboration between the municipality and the team. The aim of our project is to ensure that all the money invested, has been spent to a full protection of the school complex.</p>	<p>Context data</p> <p>The collected data used for our research, were provided by the municipality of Arconate.</p>	<p>Project and topic chosen on OpenCoesione</p> <p><i>Project name:</i> RIQUALIFICAZIONE E MESSA IN SICUREZZA DELLA SCUOLA SECONDARIA DI PRIMO GRADO 'A. MANZONI' VIA DELLE SCUOLE 20 OPERE DI ADEMPIMENTO PRESCRIZIONI ASL E VV.F.</p> <p><i>Short description:</i> Increase the participation rate in initial education and training.</p> <p><i>Subject:</i> school education</p>	<p>Experienced people on the subject</p> <p>The people who support our project are:</p> <ul style="list-style-type: none"> • The municipality of Arconate • The city council member to the territory • The school principal 	<p>Communication Format and Engagement Strategy</p> <p>The communication strategy we use is technology, through the most popular social media and the most popular platforms, or through surveys and direct experiences on the territory, involving and listening to the opinions of other people.</p>
<p>Additional research</p> <p>In addition to the research of data to the municipality of Arconate, for more information and opinions, we used interviews to the urban population with secondary sources on “surveys and monitoring” of the territory.</p>		<p>Value for the community</p> <p>To ensure an excellent performance for the school level of each student, it is important to start from the peace and safety of the school environment. In fact, it is scientifically proven that working in a serene environment gives greater well-being to the psycho-physical health of every human being. Therefore, protecting these fundamental aspects is the basis of all personal and educational development.</p>
