The screenshot shows the Infogram editor interface. At the top, there's a navigation bar with 'Step by Step Charts', a sync status 'All changes synced 1462 minutes ago', and buttons for 'Download' and 'Share...'. The main workspace displays a dashboard titled 'Team ASOC' with the subtitle 'Guida a Infogram'. Below this, there's a section '1. Question' with a paragraph of placeholder text and a bar chart. The bar chart has a y-axis from 0 to 16K and x-axis categories: USA, China, Japan, Germany, and France. The USA bar is the tallest, reaching approximately 14.5K. To the right, a settings panel is open, showing 'Edit data' and 'Settings' tabs. The 'Edit data' tab is active, displaying a preview of the bar chart and various configuration options: Width (px) 288, Height (px) 271, Rotation 0°, Transparency (%) 0, and an 'Add animation' button. Below these are sections for 'Chart properties', 'Color', and 'Axis & grid'. At the bottom of the settings panel, there's an 'Export as...' dropdown and a help button 'How can we help you?'.

Country	Value (K)
USA	14.5
China	5.5
Japan	5.0
Germany	3.0

Personalizzate l'infografica

*Il menù "Settings" vi permette di modificare le **caratteristiche del grafico**: la disposizione (orizzontale o verticale), la misura, i colori, la griglia etc*

The screenshot shows the Infogram editor interface. At the top, there's a navigation bar with 'Public', 'Step by Step Charts', and 'All changes synced 1462 minutes ago'. The main content area displays a chart titled 'Team ASOC' with the subtitle 'Guida a Infogram'. Below the title, there's a section '1. Question' with a paragraph of placeholder text and a bar chart. The bar chart shows data for five countries: USA (14K), China (5K), Japan (5K), Germany (3K), and France (2K). On the right side, the 'Settings' panel is open, showing options for 'Column' chart type, 'Width (px)' (288), 'Height (px)' (271), 'Rotation' (0°), and 'Transparency (%)' (0). There are also options for 'Add animation', 'Chart properties', 'Color', 'Axis & grid', and 'Export as...'. A yellow arrow points from the 'Settings' panel to the chart in the main content area.
